Ref: RC44 Class/44Cup – World Sailing recognised event

Yachting New Zealand is the Governing Body for the sport of yachting and boating in New Zealand and wish to confirm their support for the RC44 class.

The RC44 class have refined their events over many years and established a world renowned and admired professional racing circuit that is sanctioned by World Sailing. The 44Cup is a recognised professional sailing series and therefore meets the required definition of an elite sports event. As such, those athletes and essential support staff are experts in their field and have a valid reason to travel.

This letter does not in any way afford any exemption from the requirement to quarantine on their return to New Zealand or allow any team member to circumvent New Zealand government requirements.

Please feel free to contact me should you require any additional information regarding the above.

Best regards

David Abercrombie
Chief Executive
